1925 2025

An aerial photograph of the Port Freeport industrial facility. The image shows a large body of water in the center, surrounded by various industrial structures, including numerous white storage tanks, buildings, and cranes. A large blue and white ship is docked at a pier in the water. The foreground features a large parking lot with many cars and trucks, and several industrial buildings. The background shows a vast expanse of water and a clear blue sky.
